*This is another little dance that I am taking on the Singapore Workshop Tour (October 2002)*

*I've always loved David Ball, he's country through and through and his songs are always good.*

*This dance feels nice to do and is easily learned - so that makes it very suitable I think.*

*It will be too hot for old ducks like me to be busting their poofos teaching more difficult dances.*

*Does anyone out there know what a poofoo is?*

*I really don't even though I have been using the word for more years than I care to remember.*

*Seems my education has been sorely lacking!*

*See you on the floor sometime..... Jan*
