REPEAT

TAG

Start the dance with the tag then dance the tag again every time you return to the front 12:00 wall. The music guides you; listen for the laser beams shooting! The dance finishes on the tag and for added effect end with feet apart and both arms outwards up in the air for last two counts. Do the tag with attitude you are trying to survive!

STOMP FORWARD (SHOOT), HOLD, STEP BACK (RETREAT), HOLD TWICE

1 Stomp right forward. As you stomp, put left arm behind back and with right hand in shape of a gun 'shoot' forward

2-4 Hold pose for three counts

5 Step right back. As you move back put right arm behind back and place left arm diagonally across chest

6-8 Hold pose for three counts

9-16 Repeat steps 1-8

Repeat tag each time you return to the start wall (12:00)
