BEGIN DANCE AGAIN

Tag: To keep the phrasing when dancing to the Derailers song, during the instrumental section you will return to the front wall, and dance the first 17 counts (up to the 1st side rock & recover). For this one time only, change count 18 to a right step together (not a cross step). Then begin the dance again from the start.

Finish: For a nice finish, dance the first 9 counts, but omit the 1/4 turn left in count 8 (change counts 7-9 to left forward, right together, left together & hold.) Dance ends with vocals. Instrumental starts again after a slight pause. Just ignore this. It isn't suitable for dancing.
